

RABINDRA BHARATI MAHAVIDYALAYA

This is a report on dengue awareness camp yoga camp cleaning drive camp and tree plantation which was organised in the month of July 2025 at the college premises and nearby area by student unit(Red Ribbon Club) of NSS of the college.

1. Report on Dengue Awareness Camp

Rabindra Bharati Mahavidyalaya organized a Dengue Awareness Camp on 12th July 2025 with the objective of creating awareness among students about dengue fever, its prevention, and the importance of maintaining a clean and hygienic environment. A total of 42 students actively participated in the programme. The students were made aware of the causes and symptoms of dengue, the role of mosquitoes in its transmission, and various preventive measures, particularly the elimination of stagnant water where mosquitoes can breed. The programme also emphasized the importance of personal hygiene, environmental cleanliness, and seeking timely medical attention when symptoms appear. The active participation of the students made the programme meaningful and effective in promoting awareness about dengue prevention and public health.

2. Report on Yoga Camp

Rabindra Bharati Mahavidyalaya organized a Yoga Camp on 3rd July 2025 with the objective of promoting physical fitness, mental well-being, and a healthy lifestyle among the students. A total of 30 students actively participated in the programme. The camp introduced the participants to various yoga postures, breathing exercises, and relaxation techniques. The students were also made aware of the importance of regular yoga practice for maintaining physical and mental balance and improving concentration. The enthusiastic participation of the students contributed to the success of the programme. Overall, the Yoga Camp was a meaningful initiative that

encouraged students to adopt healthy habits and incorporate yoga into their daily lives.

3. Report on Cleaning Drive Camp

Rabindra Bharati Mahavidyalaya organized a Cleaning Drive Camp on 7th July 2025 with the objective of promoting cleanliness, environmental awareness, and a sense of social responsibility among the students. A total of 30 students actively participated in the programme. The students took part in cleaning the college premises and surrounding areas and were encouraged to maintain proper hygiene and dispose of waste responsibly. The programme also highlighted the importance of keeping public spaces clean and adopting environmentally responsible practices. The enthusiastic participation of the students made the initiative successful and meaningful. Overall, the Cleaning Drive Camp helped strengthen awareness about cleanliness, environmental protection, and collective responsibility among the students.

4. Report on Tree Plantation Programme

Rabindra Bharati Mahavidyalaya organized a Tree Plantation Programme on 10th July 2025 with the objective of promoting environmental awareness, protecting nature, and encouraging a sense of social responsibility among the students. A total of 30 students actively participated in the programme. The students planted various saplings on the college premises and surrounding areas and were encouraged to take proper care of the plants. The programme highlighted the importance of trees in maintaining ecological balance, reducing pollution, and combating climate change. The enthusiastic participation of the students made the initiative successful and meaningful. Overall, the Tree Plantation Programme helped strengthen awareness about environmental protection, sustainable development, and collective responsibility among the students.
